

HEAT & GLO™

Herman
Hertzberger

The Jetmaster Heat & Glo range of balanced flue gas log fires are Australia's most popular gas fireplaces. Offering unrivalled realism and efficiency, Heat & Glo are constantly innovating their technology to create enviable fireplaces.

With a range of installation options, Heat & Glo fires are ideal for both single or multi-storey builds, apartments and businesses. Exceptionally beautiful fireplaces that are simple to use. Heat & Glo fireplaces – no one builds a better fire.

HEAT & GLO INVENTED
BALANCED FLUE
TECHNOLOGY FOR GAS
FIREPLACES IN 1989 AND
IT REVOLUTIONISED THE
INDUSTRY. TODAY, THE
BALANCED FLUE SYSTEM
IS THE MOST REQUESTED
TECHNOLOGY SPECIFIED
FOR GAS FIREPLACES
AROUND THE WORLD.

Balanced flue technology gives you the best of both worlds – immediate ignition, instant warmth, efficient heat, multi-function remote control, and easy installation, whilst not trading off on heat output or appearance.

Mezzo single sided

Modern design, redefined. The Mezzo series from Heat & Glo features clean, minimalistic lines and impressive heat output. Every corner, every edge and every element of the Mezzo is all about perfection. High gloss black porcelain interior, LED accent lighting and crushed glass bed come together to create an enviable statement piece for any home. Available in 2 sizes – the 1300 and 1600.

With its shallow depth dimensions and no need for a conventional chimney, the SLR-X can be installed in almost any room. Choose from a range of media options and interiors to truly customise your fireplace.

New generation balanced flue

3X

Compact and practical, the 3X is the update to the popular 350 series. With improved flame pattern, slimline front and small footprint, the 3X can be installed into almost any application. The 3X fits into a timber framework and can flue either vertically or horizontally, allowing for complete installation flexibility.

6KX

The 6KX merges modern design, elegance and practicality into one impressive fireplace. Anti-reflective glass, ember bed lighting and reflective interior make the 6KX a true technological innovation. Create a statement in any space with the striking 6KX fireplace from Heat & Glo.

Front Options

Folio

Casual, simple design blends the fireplace into its surroundings.

Studio

Simplistic styling has an elegant feel with clean lines that fit any home decor.

Forge with ClearVue™ mesh

A hammered forged look is tried and true as a high-end look for your traditional fireplace. Available in Natural finish.

LOFT with ClearVue™ mesh

Elements of farmhouse and country continue to evolve into many interior design styles.

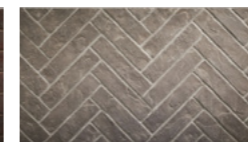

CHAPEL with ClearVue™ mesh

A beautiful arch created by heavy 3-D square bars portrays a refined traditional look.
